Use of (participation with) clickers helped me to focus and pay more attention during lectures.

Participation with clickers improved my understanding of the subject content.

Use of (participation with) clickers allowed me to engage directly with the content being presented.

Participation with clickers increased my interaction with the instructor.

Participation with clickers increased my interaction with other students.

Participation with clickers encouraged me to attend lectures more regularly.

Use of clickers made me prepare better for the class.

The use of clickers in this course should be continued in the future.
